25.3 Public Open Forum (Meeting Adjourned)

- A resident raised ongoing concerns about parking issues in Mayberry Place, which have been reported multiple times without resolution. Discussion included whether a PSO (Police Support Officer) patrol could help. Any agreed action must be enforceable, given that the roads remain unadopted.
- Another resident raised parking concerns at AVA School, where yellow lines and 'No Parking' signs are being ignored. Cllr Sekhar confirmed he had spoken with the Headteacher, who felt the situation was under control.
 The school's facilities manager reported significant improvement thanks to the signage and the support of staff/volunteers assisting children crossing the road.
- A resident also raised concerns regarding unmaintained hedges along Sierra
 Drive and lack of grass cutting in Mayberry Place. These areas remain under
 Taylor Wimpey's responsibility. The Clerk will contact Taylor Wimpey once the
 resident provides a list of affected areas.
- Cllr Chotai confirmed that he had emailed Taylor Wimpey with the issues raised and received an acknowledgment. He will share their full response with councillors once received.
